## **SECTION V: GENERAL BID NOTES**

Please ensure that your bid complies with all requirements specified in this Request for Bids. Attention to all clauses of these requirements is advised.

A mandatory pre-bid conference will be held on Tuesday, March 17, 2015, at 2:00 PM EST, at the Lancaster-Lebanon Intermediate Unit 13, located at 1120 New Holland Avenue, Lancaster, PA 17601.

### **Attendance at the Pre-Bid Conference is mandatory.**

Complete bid sheets and all other documents by printing neatly and legibly in pen or typing. Furnished electronic documents must also be completed by typing into the appropriate spaces. Enter your company's name in the space provided at the top of each Market Basket Bid Sheet. DO NOT ALTER, DELETE OR CHANGE ANY BID SPECIFICATIONS OR CLAUSES WITHIN THE VARIOUS BID DOCUMENTS.

Indicate prices and extended total prices in all columns of the Market Basket Bid Sheet for every item you are bidding on. Bid prices per unit of measure specified in the specifications for each item. Failure to do so may result in your bid being improperly tabulated for the bid review.

All bidders must be STOCKING distributors. However, special order items will be allowed for quantities below a minimum of twenty-five (25) cases annually. Bidders must indicate and identify **ALL** items, which if awarded, would be special orders.

Indicate the manufacturer and/or brand or trade name of the product you are bidding on in the "manufacturer" column of the Market Basket Bid Sheet. Items bid on without entries in this column shall be considered as being bids on the exact brand and model stated in the specifications for that item.

**Any variation in your bid from the conditions and specifications as outlined in this Request for Bids must be clearly stated, with the variation from specifications noted.** If requested, bidders shall supply samples for all alternates. Specifications for ALL variations must be explicitly noted on the Market Basket Bid Sheet. Note that submission of a sample does not by itself demonstrate compliance with these requirements. Awarded vendors are responsible for, and must rectify errors resulting from their selection of appropriate model and catalog numbers when bidding alternate or equivalent items (where allowed) to those specified in the Request for Bids.

Items that are listed and described in the specifications but do not appear on the District Requirements Sheets are to be considered items for which there are no requirements by the school for this bid. Please refer to the District Requirements Sheets for confirmation.

[END OF SECTION]

## **SECTION VI: BID AND CONTRACT REQUIREMENTS**

### **1. Submission of Bids**

Sealed bids, including all required proposal and response documentation, shall be submitted electronically in PDF format (using furnished spreadsheets and word processing documents) by email transmission to: [cafco@iu13.org](mailto:cafco@iu13.org). The subject line of the email should read as follows: "CAFCO Bid #15-101". All bids will be accepted electronically on, or before, 12:00 PM EST, Friday, April 10, 2015. All bids will be publicly opened at 2:00 PM EST on Friday, April 10, 2015. ***Only bids submitted electronically will be considered.***

### **2. Preparation of Bids**

Bidders enter in column "I" the laid in price per unit (pounds, case or equivalent) for each item. Enter in column "J" the percent mark-up (this % markup will be the mark up for the year in that category) for each item. Total the laid in price and percent mark-up and enter in column "K". Multiply the total unit cost in column "K" by the total minimum usage in column "H" for each line and enter the extension in the total cost column "L". Product pricing shall be firm for the periods noted on the Market Basket Bid Sheet.

If the bidder wishes to offer a pack size, which is different from the pack shown, state the size offered, convert the number of units to conform to requested pack size and enter this information on the form. For example, if the pack size shown is 6/#10 cans and the vendor wants to offer 4/1-gallon containers, proceed with the net content conversion as discussed above. IU13 will make final decision on the acceptability of products offered as alternate pack size.

**Any bid response that alters the documented specification must be indicated in bold blue type on the bid response spreadsheet. In addition the changed specification shall be listed on a separate piece of paper and attached to the bid response packet.**

**Bidders must provide their stock code number in the specified column for all items quoted.**

### **3. Correction of Mistakes on the Bid Form**

All prices and notations must be in ink or typewritten. No erasures are permitted. Errors may be crossed out and corrections printed in ink or typewritten adjacent to the crossed out error. The person making the corrections shall initial any correction in ink. All initials will be explained in the margin or some other visible and appropriate place on the same page as the correction. The explanation need only be the full name of the person having initialed the correction and shall be printed in ink or typewritten.

### **4. Quantities**

It shall be understood by all parties that any contract established as a result of this invitation will not obligate the CAFCO participants to receive any quantity in excess of actual requirements. While the quantities shown are classified as estimates for bidding purposes, they do result from actual historic tabulation. CAFCO participants reserve the right to increase all quantities for the bid period specified, and the awarded vendors are obligated to honor such increase in quantities at the price bid.

## 5. Selection or Rejection of Bids

Bid award will be determined as per the following process:

- Each category or line item will be awarded to the lowest responsive and responsible bidder that is a primary vendor as defined herein. A “primary vendor” is a responsive and responsible bidder who has bid the lowest prices on the most product line items. IU13, in its discretion, may designate up to two additional primary vendors, who are the responsive and responsible vendor(s) who have bid the lowest prices on the second (and third) most number of product line items. Lowest category/line item bids received from bidders not determined to be a primary vendor, may be re-allocated to the next lowest primary vendor of those specific line items.
- The total bid will be limited and awarded to up to three primary vendors; provided, however, that line items or categories on which no primary vendor has bid may be awarded by IU13 to the lowest responsive and responsible bidder.

IU13 reserves the right to reject any or all bids, in whole or in part, to waive technicalities whenever it is deemed to be in the best interest of IU13, and to select single items from any bid. Failure to comply with bid requirements in previous awards is grounds for bid rejection.

## 6. Purchase of Items Not Specified on the Bid

All bids shall contain a markup percentage for items not specified on the bid, and which may be purchased on an as needed basis by CAFCO participants. This markup percentage shall be documented on the bottom of the bid proposal item worksheet. All items purchased, including special orders, shall be subject to the administrative fee as outlined in Section 7 below.

## 7. Administrative Fee

Awarded vendors shall pay to the IU13 as the awarding/sponsoring entity, or to the IU13’s designated assignee, an administrative fee in an amount equal to one tenth of one percent of all revenues received under any purchase orders or agreements with CAFCO participants. This administrative fee shall be absorbed by the vendor in their G&A/Profit. This administrative fee is in consideration and recognition of the fact that the awarded vendors would not need to respond to separate RFPs, quotes or bids from participants; awarded vendors would not need to invest as much time in securing the award from participants; and in consideration of the time and effort expended by the IU13 to enable the cooperative procurement process to occur. This administrative fee shall be paid on a quarterly basis for the twelve months of the contract term after the receipt of purchase order/agreement revenues. It shall be due and payable no later than forty-five (45) days after the close of the previous quarter of the contract term. The administrative fee shall be paid by check, which shall be made payable to “Lancaster-Lebanon IU13” and mailed to Lancaster-Lebanon IU13 Collaborative Services, 1020 New Holland Avenue, Lancaster, PA 17601. An electronic sales (velocity) report, broken out by individual participant, for the same period of time, shall accompany the administrative fee.

## 8. Award - Contract

If any bid is accepted, the contract(s) shall consist of this Request for Bids, including all sections and attachments, the awarded vendor’s completed proposal and response documentation, and all other

completed attachments, along with any revisions, clarifications, error correction notices, and explanatory notes issued via addendum prior to bid opening. In the case of differing or contradictory contract language, the language providing the greatest benefit to IU13 and its participants shall take precedence. IU13 reserves the right to accept or reject any bid in whole or in part and/or to select one or more items from any bid. The contract shall be interpreted, construed and given effect in all respects according to the laws of the Commonwealth of Pennsylvania, without regard to conflicts of law principles.

#### **9. Lines of Communication**

All communication between CAFCO participants and the awarded vendor(s) shall be in writing through a specified representative for each organization. Sales orders shall be handled via normal sales personnel. Matters of policy are to be dealt with by the IU13's representative and designated awarded vendor official.

#### **10. New Products**

The awarded vendor(s) is encouraged to present or demonstrate new items or concepts by scheduling an appointment with the IU13 representative during the contract term. Attention to information regarding nutrition analysis and applicable discounts must be available at the time of the product presentation.

#### **11. Reports**

The awarded vendor(s) shall be required to submit a total product utilization report (sales velocity report) for all items purchased under this bid during the contract term to the IU13 by no later than August 1, 2016. This report should be supplied in electronic format. Information on the total product utilization report shall be organized by participant and, at the minimum, include item number, brand, item description, pack size, and sold quantity. Monthly product utilization reports are desired, but not required, to be submitted to the IU13. Upon request by the IU13 or a participant, monthly sales reports shall be provided for products for which commercial or commodity rebates are available.

#### **12. Delivery Time and Location**

- a. The prices quoted shall be for deliveries to schools designated by CAFCO participants. There shall be a minimum delivery of \$400 per delivery.
- b. Delivery Points: See Section VII for a full listing of billing addresses, phone numbers and contacts. Delivery points will be established by CAFCO participants.
- c. Deliveries shall be made on a regular basis to each CAFCO participant, except school holidays and closing days (due to inclement weather) at which time alternative delivery days shall be mutually agreed upon. Deliveries shall be made between the hours of 7 a.m. and 1:30 p.m., Monday through Friday. Drivers and helpers shall deliver merchandise into designated storage areas (dry, chilled and frozen) at each school. Drivers and helpers must receive an authorized school receiver's signature. The authorized school receiver will verify the accuracy of items, quantities of each item, total quantities, and condition of merchandise. Variations from the norm, i.e.

shortages, damages, etc. shall be noted on each ticket by the authorized school receiver and initialed by both the truck driver and authorized school receiver.

**13. Items Substitutions/Shortages**

If the awarded vendor is temporarily out of stock of a particular item, the individual CAFCO participant may, but shall not be obligated to, approve the delivery of an equal or superior product at an equal or lower price. Substitutions should exist only in “emergency” situations. Substitutions can be made only upon prior approval of the individual CAFCO participant. In the case of shortages by the awarded vendor, IU13 or CAFCO participant, after notice (oral or written), may procure the necessary products from other sources and hold the awarded vendor responsible for any excess cost incurred. Repeated instances of default may result in the removal of the awarded vendor from future bidding.

**14. Statements**

If requested by the individual CAFCO participants, the awarded vendor shall submit statements for individual CAFCO participant. Each statement shall include a summary of invoices and credits for the specified period for the requesting CAFCO participant. Statements may be submitted more often than monthly, but only upon the mutual agreement of both parties. An established procedure shall be designated for any necessary credits.

**15. Discounts**

Bidder shall indicate at the time of bidding if any discounts apply for 10-day payment. Consideration for further discounts shall be given to those participants with one-drop deliveries. Bidder shall specify the amount of this discount within the bid.

**16. Material Safety Data Sheets**

Material Safety Data Sheets required by the U.S. Department of Labor, Occupational Safety & Health Administration shall be supplied in the bid packet for all items bid, where applicable, and shall also be provided with each individual shipment of goods.

**17. Termination**

The awarded contract(s) may be terminated at any time, in whole or in part, on 30 days’ notice, upon the mutual agreement of both parties or upon the discretion of the IU13, in a shorter period of time, if the terms of the contract are violated.

**18. Buy American**

The Warren F. Goodling Child Nutrition Reauthorization Act of 1998, as may be amended, requires sponsors of the National School Lunch Program to buy domestic commodities or products for use in meals to the maximum extent possible. Specification of product origin, based on the Nutrition Labeling and Education Act of 1990, as may be amended, mandates that the country of origin for both domestic and imported food products be identified on the product label. Products bid MUST comply with the foregoing regulations and all applicable federal, state and local laws and regulations.

## 19. Vendor Qualifications

Before any bid can be accepted, a bidder must be deemed qualified, in the judgment of the IU13, to perform as required herein. A bid may be rejected if a bidder fails to meet any one of the following qualifications:

### a. Product Line

It must be clearly evident to the IU13 that a bidder is capable of prompt delivery of all items on the list to be awarded to the bidder.

### b. Bidders Evidence of Responsibility

A bidder may be required to furnish evidence in writing that the bidder (a) maintains a permanent place of business, (b) has adequate equipment, finances and personnel to furnish satisfactory and expeditiously the items bid, and (c) is an authorized dealer which is authorized to provide all necessary services and warranties for the items bid.

### c. Accounting Practices

Bidder must clearly demonstrate to IU13 the bidder's capability to provide accurate, reliable and timely reports, in terms of invoices, statements, credits, and utilization reports to the IU13 and the participants.

### d. Facilities and Equipment

Bidders must have adequate warehouses for supplying contract products. Conditions for storing chilled and frozen products must be applied, as recommended and as may be amended by the Refrigeration Research Foundation. Delivery temperatures of frozen and chilled food shall be in accordance with the Association of Food and Drug Officials (AFDOS) Code as recommended by the United States Food and Drug Administration. CAFCO participants and the IU13 shall have the right, but not the obligation, to monitor all processes and controls in accordance with, and as required by, current Hazard Analysis and Critical Control Points (HACCP) regulations.

### e. Sanitation Requirements

CAFCO participants and the IU13 may, but shall not be obligated to, inspect bidder facilities prior to bid award, and the awarded vendor's facilities on a routine basis. Facilities and operating practices must be in compliance with the United States Food, Drug, and Cosmetic Act, as may be amended, and all applicable federal, state and local laws and regulations.

### f. Computer Options Capability

Bidders must have adequate computer options capabilities. Bidder is to describe computer options available to CAFCO participants, i.e. on-line ordering and any applicable costs for use of computer systems.

## 21. Standard Contract Conditions

- a. The contract shall be governed in all respects as to validity, the construction, capacity, performance, or otherwise by the laws of the Commonwealth of Pennsylvania. Exclusive venue

and jurisdiction for resolution of any disputes shall be by non-jury trial in the Lancaster County, Pennsylvania, Court of Common Pleas.

- b. Awarded Vendors providing services under a contract herewith assure the IU13 and CAFCO participants that they conform to the provisions of the Civil Rights Act of 1964, as amended.
- c. State Sales and Use Tax Certificate of Exemption form will be issued upon request.
- d. Deliveries under the contract must be free of excise or transportation taxes, except when such a tax is part of the bid price and participants are not exempt from such levies.
- e. The awarded vendor shall comply with all applicable federal, state and local laws and regulations pertaining to wages, hours and conditions of employment. In connection with awarded vendor's performance of work under the contract, awarded vendor agrees not to discriminate against any employee(s) or applicant(s) for employment because of age, race, religious creed, sex, national origin, or handicap. Additionally, all applicable federal, state and local laws and regulations shall be deemed to be part of the contract and specifications, and the awarded vendor shall be responsible for compliance therewith.
- f. The awarded vendor agrees to retain all books, records and other documents relative to the contract for three (3) years after final payment. IU13, their authorized agents, and/or State auditors, and CAFCO participants, their authorized agents, and/or State auditors shall have full access to and the right to examine any of said materials during said period.
- g. Product Protection Guarantees. School districts have "automatic" product protection recourse against suppliers for product safety. According to federal regulations, the supplier whose name and address appear on the package is the responsible party. Awarded vendors are expected to take immediate action to correct any situation in which product integrity is violated.
- h. Coupons. The awarded vendor(s) shall ensure all applicable coupons and rebate opportunities are made available to the CAFCO participants during the course of the contract term.

## **22. Definition of Cost Price**

Awarded Vendor's invoice shall reflect promotion allowances, i.e., one free with purchase of 10, or quote allowances, the benefits of which shall accrue to the participant. Volume rebates and target allowances must be passed on to the participant. A vendor is qualified on the basis that he is a volume buyer. Thus, on a cost plus contract the participant is entitled to receive volume purchasing benefits. Cost prices shall be based on "delivered to distributor warehouses." Cost shall be based on the "latest invoice" either prior to merchandise being delivered to the participant, or in stock, as the case may be, in (30) thirty day firm price requirement.

Where "Net Off Invoice" (NOI) is available for an awarded item and the participant participates in NOI with the awarded vendor, NOI will be deducted from the awarded bid price.

**23. Price Change Reviews**

Prices are to remain firm for the specified period for each product category or item as noted on the Market Basket Bid Sheet.

**24. Assignment**

The awarded vendor shall not assign the performance of the contract nor any portion thereof to any other person without written consent from IU13.
