Repeated instances of default as mentioned above may result in the removal of the awarded vendor(s) from future bidding.***

10. Statements

If requested by the individual CAFCO participants, the awarded vendor shall submit statements for individual CAFCO participant. Each statement shall include a summary of invoices and credits for the specified period for the requesting CAFCO participant. 2. Reason for exception: limited/lack of availability or price. Include the price of the domestic food product, and the price of the non-domestic product that meets the required specification of the domestic product.

14. Clean Air Act

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

15. Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689). A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (“SAM”), in accordance with the Office of Management and Budget, more commonly known as “OMB,” guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), “Debarment and Suspension.” SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Bidder certifies that bidder is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Awarded vendor(s) further agrees to immediately notify the IU13 with pending purchases or seeking to purchase from awarded vendor(s) if awarded vendor(s) is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

16. Contract Work Hours And Safety Standards

Where applicable, for all IU13 contracts or purchases in excess of \$100,000 that involve the employment of mechanics or laborers, vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

17. Davis Bacon Act

When required by Federal program legislation, vendor agrees that, for all IU13 prime construction contracts/purchases in excess of \$2,000, vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor

Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, vendor shall pay wages not less than once a week. Current prevailing wage determinations issued by the Department of Labor are available at <https://beta.sam.gov/>. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the vendor is conditioned upon vendor’s acceptance of the wage determination. Vendor further agrees that it shall also comply with the Copeland “Anti-Kickback” Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

18. Domestic Preferences

As appropriate and to the extent consistent with law, the Intermediate Unit should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).

‘Produced in the United States’ means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

‘Manufactured products’ means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

This requirement also applies to subawards, including all contracts and purchase orders for work or products under a Federal award.”

19. Geographical Preferences Prohibited

Notwithstanding the domestic preferences for procurement discussed above, the Intermediate Unit must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

20. Never Contract With The Enemy

For Federal grants and cooperative agreements, as defined by 2 CFR 200.1, that are expected to exceed \$50,000 and that are performed outside the United States, including U.S. territories, and that are in support of a contingency operation in which members of the Armed Forces are actively engaged in hostilities, the Intermediate Unit must exercise due diligence to ensure that none of the funds, including supplies and services, received under the grant or cooperative agreement are provided directly or indirectly (including through subawards or contracts) to a person or entity who

is actively opposing the United States or coalition forces involved in a contingency operation in which members of the Armed Forces are actively engaged in hostilities. This due diligence must be completed through 2 CFR 180.300 prior to issuing a subaward or contract.

The Intermediate Unit must terminate or void in whole or in part any subaward or contract with a person or entity listed in the System for Award management (SAM) as a prohibited or restricted source pursuant to subtitle E of Title VIII of the NDAA for FY 2015, unless the Federal awarding agency provides written approval to continue the subaward or contract.

21. Simplified Acquisition Threshold

Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Provisions regarding Contractor default are included in the Bidding and Contract Documents and General Terms and Conditions. Any Contract award will be subject to such Bidding and Contract Documents and General Terms and Conditions. The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Bid, you agree to these Contractor violation and breach of contract terms.

22. Force Majeure

Neither party will incur any liability to the other if its performance of any obligation under This Agreement is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but are not limited to, acts of God, war or terrorism, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, a national or Commonwealth of Pennsylvania emergency, disease, **plague, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis, including quarantine or other employee restrictions**, general strikes throughout the trade, work stoppages, accidents and freight embargos. and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; other unforeseeable circumstances beyond the control of the Parties against which it would have been unreasonable for the affected party to take precautions and which the affected party cannot avoid even by using its best efforts. The Contractor shall orally notify IU13 within forty-eight (48) hours and notify in writing within five (5) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effects on performance, (ii) state whether performance under the Agreement is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. After receipt of such notification, IU13 may elect to cancel this Agreement, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay. The occurrence of a force majeure event rendering either party unable to carry out its obligations shall excuse both parties from their obligations during any such force majeure event. The term "force majeure" shall mean events not reasonably within the control of the party claiming suspension and shall specifically

include any future change in laws, rules, or regulations as may prohibit or materially frustrate the parties from carrying out the terms of the agreement.

15. Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 USC 1352). Vendors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. As applicable, all bidders and awarded vendor(s) agree to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352)

16. Right to Inventions Made Under a Contract or Agreement

If IU13's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. The awarded vendor(s) agrees to comply with the above requirements when applicable

No employee or Board member may participate in the selection, award or administration of a contract supported by a federal award if s/he has a real or apparent conflict of interest as defined above, as well as any other circumstance in which the employee, Board member, any member of his/her immediate family, his/her business partner, or an organization which employs or is about to employ any of them, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

In the event of a potential organizational conflict, the potential conflict shall be reviewed by the Executive Director or designee to determine whether it is likely that the Intermediate Unit would be unable or appear to be unable to be impartial in making the award. If such a likelihood exists, this shall not disqualify the related organization; however, the following measures shall be applied:

1. The organizational relationship shall be disclosed as part of any notices to potential contractors;
2. Any Intermediate Unit employees or officials directly involved in the activities of the related organization are excluded from the selection and award process;
3. A competitive bid, quote or other basis of valuation is considered; and
