2. **Preparation of Bids**
   Bidders enter in column "J" the laid in price per unit (pounds, case or equivalent) for each item. Enter in column "K" the mark-up in dollar amount (this markup will be the mark up for the year in that category) for each item. Total the laid in price, mark-up, and 3 cent revenue share and enter in column "M" (the spreadsheet should automatically pre-populate this column). Multiply the total unit cost in column "M" by the total minimum usage in column "I" for each line and enter the extension in the total cost column "N" (the spreadsheet should automatically pre-populate this column). Product pricing shall be firm for the periods noted on the Market Basket Bid Sheet.

   If the bidder wishes to offer a pack size, which is different from the pack shown, state the size offered, convert the number of units to conform to requested pack size and enter this information on the form. For example, if the pack size shown is 6/#10 cans and the vendor wants to offer 4/1-gallon containers, proceed with the net content conversion as discussed above. IU13 will make the final decision on the acceptability of products offered as alternate pack size.

   Any bid response that alters the documented specification must be indicated in bold blue type in the comment section, Column P. In addition, the changed specification shall be listed on a separate piece of paper and attached to the bid response packet.

   Bidders must provide their stock code number in the specified column for all items quoted.

4. **Correction of Mistakes on the Bid Form**
   All prices and notations must be in ink or typewritten. No erasures are permitted. Errors may be crossed out and corrections printed in ink or typewritten adjacent to the crossed-out error. The person making the corrections shall initial any correction in ink. All initials will be explained in the margin or some other visible and appropriate place on the same page as the correction. The explanation needs only be the full name of the person having initialed the correction and shall be printed in ink or typewritten.

5. **Grocery Recall Procedures**
   Each Bidder, **as part of their bid response**, shall provide documentation outlining the bidder's Grocery recall procedures. This information shall include, but not be limited to, the following:

- Written Procedures
- Communication Plans
- Event Protocols
- Recall Contact Individuals

Each CAFCO Participant will provide the awarded vendor(s) with contact information to be used in the event of a Grocery recall. This information will include, at a minimum, the participant's contact name, title, phone number and email address. Information shall be supplied for both a primary and secondary recall contact. This information will be supplied to the awarded vendor(s) upon the start of the contract.

6. **Quantities**
   It shall be understood by all parties that any contract established as a result of this invitation will not obligate the CAFCO participants to receive any quantity in excess of actual requirements. While the quantities shown are classified as estimates for bidding purposes, they do result from actual historic tabulation. CAFCO participants reserve the right to increase all quantities for the bid period specified, and the awarded vendors are obligated to honor such an increase in quantities at the price bid.

7. **Selection or Rejection of Bids**
   Bid award will be determined as per the following process:
   - Each category or line item will be awarded to the lowest responsive and responsible bidder that is a primary vendor as defined herein. A "primary vendor" is a responsive and responsible bidder who has bid the lowest prices on the most product line items.

   - IU13, in its discretion, may designate up to two additional primary vendors, who are the responsive and responsible vendor(s) who have bid the lowest prices on the second (and third) most number of product line items. Lowest category/line-item bids received from bidders not determined to be a primary vendor, may be re-allocated to the next lowest primary vendor of those specific line items.

   - The total bid will be limited and awarded to up to three primary vendors; provided, however, that line items or categories on which no primary vendor has bid may be awarded by IU13 to the lowest responsive and responsible bidder.

   IU13 reserves the right to reject any or all bids, in whole or in part, to waive technicalities whenever it is deemed to be in the best interest of IU13, and to select single items from any bid. Failure to comply with bid requirements in previous awards is grounds for bid rejection.

8. **Purchase of New Items or Items Not Specified on the Bid**
   During the term(s) of a contract awarded under this solicitation, additional purchases not included in this solicitation list and resulting awarded contract may become necessary and benefit the Program.

   All bids shall contain a flat fee per case charge for items not specified on the bid, and which may be purchased on an as needed basis by CAFCO participants. This flat fee schedule **shall be documented on the bottom of the bid proposal item worksheet**. All items purchased, including special orders, shall be subject to the administrative fee as outlined in Section 9 below.

Both parties agree that the aggregate value of added purchases during each year of the contract, if renewable, shall not exceed 10% of the estimated total value of the contract. The total value of the contract must be agreed upon and the dollar value listed in every contract and contract renewal. Such additions may be included in the awarded contract list during the contract renewal through a contract amendment, and the total contract value adjusted accordingly. For each contract renewal, the total actual value of the contract in the preceding year and the additions made during the contract term, will be the basis for determining the maximum dollar amount (not to exceed 10%) of additional goods that will be allowed during the next contract renewal year."

9. **Administrative Fee**

   Awarded vendors shall pay to IU13 as the awarding/sponsoring entity, or to IU13's designated assignee, an administrative fee in an amount equal to **four cents (.04) per case or unit of measure that the item is sold in** received under any purchase orders or agreements with CAFCO participants. This administrative fee shall be absorbed by the vendor in their G&A/Profit. This administrative fee is in consideration and recognition of the fact that the awarded vendors would not need to respond to separate RFPs, quotes or bids from participants; awarded vendors would not need to invest as much time in securing the award from participants; and in consideration of the time and effort expended by IU13 to enable the cooperative procurement process to occur. This administrative fee shall be paid on a quarterly basis for the twelve months of the contract term after the receipt of purchase order/agreement revenues. It shall be due and payable no later than forty-five (45) days after the close of the previous quarter of the contract term. The administrative fee shall be paid by check, which shall be made payable to "Lancaster-Lebanon IU13" and mailed to Lancaster-Lebanon IU13 Collaborative Services, 1020 New Holland Avenue, Lancaster, PA 17601. An electronic sales (velocity) report, broken out by participant for the same period, shall accompany the administrative fee.

10. **Award - Contract**

    If any bid is accepted, the contract(s) shall consist of this Request for Bids, including all sections and attachments, the awarded vendor's completed proposal and response documentation, and all other completed attachments, along with any revisions, clarifications, error correction notices, and explanatory notes issued via addendum prior to bid opening. In the case of differing or contradictory contract language, the language providing the greatest benefit to IU13, and its participants shall take precedence. IU13 reserves the right to accept or reject any bid in whole or in part and/or to select one or more items from any bid. The contract shall be interpreted, construed and given effect in all respects according to the laws of the Commonwealth of Pennsylvania, without regard to conflicts of law principles.

11. **Lines of Communication**

    All communication between CAFCO participants and the awarded vendor(s) shall be in writing through a specified representative for each organization. Sales orders shall be handled via normal sales personnel. Matters of policy are to be dealt with by IU13's representative and designated awarded vendor(s) official(s).

12. **New Products**

The awarded vendor(s) is encouraged to present or demonstrate new items or concepts by scheduling an appointment with IU13 representative during the contract term. Attention to information regarding nutrition analysis and applicable discounts must be available at the time of the product presentation.

13. **Reports**

The awarded vendor(s) shall be required to submit a total product utilization report (sales velocity report) for all items purchased under this bid during the contract term to IU13 by no later than August 1, 2025. This report should be supplied in electronic format. Information on the total product utilization report shall be organized by participant and, at the minimum, include item number, brand, item description, pack size, and sold quantity. Monthly product utilization reports are desired, but not required, to be submitted to IU13. Upon request by IU13 or a participant, monthly sales reports shall be provided for products for which commercial or commodity rebates are available. Additionally, during the month of January 2025, an awarded items bid document will be forwarded to each awarded CAFCO distributor. It will be the responsibility of the distributor to complete the document with the actual August 2024 through December 2024 CAFCO purchases. These purchase numbers will be used for determining requirements for the next school year bid.

14. **Delivery Time and Location**

a. The prices quoted shall be for deliveries to schools designated by CAFCO participants. There shall be a minimum delivery of $400 per delivery.

b. The awarded vendor(s) shall be required to provide in writing (via Bid Attachment I - Bid Questionnaire), that the **vendor is capable of delivering to all participant delivery points within CAFCO at a minimum of once per week.**

c. Delivery Points: See Section VII for a full listing of participant billing addresses, phone numbers and contacts. Individual delivery points are included in the attached CAFCO delivery location spreadsheet and /or established by CAFCO participants.

d. Initial Deliveries: See Attachment G-Initial District Delivery Timeline, for information concerning CAFCO participant opening day and initial delivery dates. **Initial deliveries will be expected by the dates indicated on this spreadsheet.**

e. Deliveries shall be made on a regular basis to each CAFCO participant, except school holidays and closing days (due to inclement weather) at which time alternative delivery days shall be mutually agreed upon. Deliveries shall be made between the hours of 6:30 AM and 1:30 PM, Monday through Friday. Drivers and helpers shall deliver merchandise into designated storage areas (dry, chilled and frozen) at each school. Drivers and helpers must receive an authorized school receiver's signature. The authorized school receiver will verify the accuracy of items, quantities of each item, total quantities, and condition of merchandise. Variations from the norm, i.e., shortages, damages, etc. shall be noted on each ticket by the authorized school receiver and initialed by both the truck driver and authorized school receiver.

15. **Items Substitutions/Shortages**

If the awarded vendor(s) is temporarily out of stock of a particular item, the individual CAFCO participant may, but shall not be obligated to, approve the delivery of an equal or superior product at an equal or lower price. Substitutions should exist only in "emergency" situations. Substitutions can be made only upon prior approval of the individual CAFCO participant. In the case of shortages by the awarded vendor, IU13 or CAFCO participant, after notice (oral or written), may procure the necessary products from other sources and hold the awarded vendor(s) responsible for any excess cost incurred. ***In all cases mentioned above, the responsible bidder shall be responsible to notify the individual CAFCO participant 24 hours before the out-of-stock or substituted item is scheduled to be delivered to the CAFCO participant. Repeated instances of default as mentioned above may result in the removal of the awarded vendor(s) from future bidding.***

16. **Statements**

If requested by the individual CAFCO participants, the awarded vendor(s) shall submit statements for individual CAFCO participants. Each statement shall include a summary of invoices and credits for the specified period for the requesting CAFCO participant. Statements may be submitted more often than monthly, but only upon the mutual agreement of both parties. An established procedure shall be designated for any necessary credits.

17. **Discounts**

Bidder shall indicate at the time of bidding if any discounts apply for 10-day payment. Consideration of further discounts shall be given to those participants with one-drop deliveries. Bidder shall specify the amount of this discount within the bid.

18. **Safety Data Sheets**

Safety Data Sheets required by the U.S. Department of Labor, Occupational Safety & Health Administration shall be supplied in the bid packet for all items bid, where applicable, and shall also be provided with each individual shipment of goods.

If the awarded contract(s) is terminated in accordance with this paragraph, the awarded vendor(s) shall only be entitled to payment for goods or services delivered prior to the termination and not otherwise returned in accordance with the return policy of the awarded vendor(s). If the awarded vendor(s) was paid for goods not yet provided as of the date of termination, the awarded vendor(s) shall immediately refund such payment(s). If the IU13 terminates any awarded contract(s) in accordance with this paragraph, IU13 shall retain all rights and remedies allowed by law.

Exceptions to the Buy American provision are very limited; however, an alternative or exception may be approved upon request. a. The contract shall be governed in all respects as to validity, the construction, capacity, performance, or otherwise by the laws of the Commonwealth of Pennsylvania. Exclusive venue and jurisdiction for resolution of any disputes shall be by non-jury trial in the Lancaster County, Pennsylvania, Court of Common Pleas.

b. Awarded Vendors providing services under a contract herewith assure IU13 and CAFCO participants that they conform to the provisions of the Civil Rights Act of 1964, as amended.

c. State Sales and Use Tax Certificate of Exemption form will be issued upon request.

d. Deliveries under the contract must be free of excise or transportation taxes, except when such a tax is part of the bid price and participants are not exempt from such levies.

e. The awarded vendor(s) shall comply with all applicable federal, state and local laws and regulations pertaining to wages, hours and conditions of employment. In connection with awarded vendor's performance of work under the contract, awarded vendor(s) agrees not to discriminate against any employee(s) or applicant(s) for employment because of age, race, religious creed, sex, national origin, or handicap. Additionally, all applicable federal, state and local laws and regulations shall be deemed to be part of the contract and specifications, and the awarded vendor(s) shall be responsible for compliance therewith.

f. The awarded vendor(s) agree to retain all books, records and other documents relative to the contract for three (3) years after final payment. IU13, their authorized agents, and/or State auditors, and CAFCO participants, their authorized agents, and/or State auditors shall have full access to and the right to examine any of said materials during said period.

g. Product Protection Guarantees. School districts have "automatic" product protection recourse against suppliers for product safety. According to federal regulations, the supplier whose name and address appear on the package is the responsible party. Awarded vendors are expected to take immediate action to correct any situation in which product integrity is violated.

h. Coupons. The awarded vendor(s) shall ensure all applicable coupons and rebate opportunities are made available to the CAFCO participants during the course of the contract term.

25. **Equal Employment Opportunity**.

Except as otherwise provided under 41 CFR Part 60, all CAFCO purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. The awarded vendor(s) agrees that such provision applies to any CAFCO purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and the awarded vendor(s) agrees that it shall comply with such provision.

26. **Definition of Cost Price**

The awarded vendor's invoice shall reflect promotion allowances, i.e., one free with purchase of 10, or quote allowances, the benefits of which shall accrue to the participant. Volume rebates and target allowances must be passed on to the participant. A vendor is qualified on the basis that he is a volume buyer. Thus, on a cost plus contract the participant is entitled to receive volume purchasing benefits. Cost prices shall be based on "delivered to distributor warehouses." Cost shall be based on the "latest invoice" either prior to merchandise being delivered to the participant, or in stock, as the case may be, in (30) thirty-day firm price requirement. Where "Net Off Invoice" (NOI) is available for an awarded item and the participant participates in NOI with the awarded vendor, NOI will be deducted from the awarded bid price.

27. **Price Change Reviews**

Prices are to remain firm for the specified period for each product category or item as noted on the Market Basket Bid Sheet.

28. **Assignment**

The awarded vendor(s) shall not assign the performance of the contract nor any portion thereof to any other person without written consent from IU13, which written consent may be withheld in the absolute discretion of IU13.

29. **Piggyback Clause**

Pursuant to Section 1902 of Act 57 of 1998, as amended, 62 Pa. C.S. § 1902, known as the "Commonwealth Procurement Code," school districts (and other public procurement units) are permitted to purchase services, supplies, materials, equipment, and other personal property under the terms of a contract entered into by another awarding or sponsoring public procurement unit. This process is commonly known as "piggybacking." IU13, which is the awarding entity under this contract, is willing to make this option available to other public procurement units in addition to the participants listed below for the items and services that are the subject of this bid, provided the bidder indicates its agreement at the time it submits its bid to IU13. Included in this bid is a

"Piggyback Clause Acceptance Agreement," a copy of which is attached. All bidders providing a response to this bid shall complete and return this agreement with their proposal, indicating acceptance or rejection of this option. Piggybacking will be limited to the geographical delivery area of the awarded vendors. **Additionally, piggybacking during the length of this contract shall be limited to no more than ten (10) percent of the total amount of districts participating as members of CAFCO at the beginning of the contract term.**

30. **Small and Minority Businesses, Women's Business Enterprises, and Labor Surplus Area Firms**
The awarded vendor(s) shall comply with the requirements of 2 C.F.R. § 200.321, addressing contracting with small and minority businesses, women's business enterprises, and labor surplus area firms. To that end, the awarded vendor(s) shall (i) place qualified small and minority businesses and women's business enterprises on solicitation lists; (ii) assure that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources; (iii) divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; (iv) establish delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; (v) use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (vi) require that, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (i) through (v) of this Section 28.

31. **Clean Air Act**

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, vendors agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

32. **Contract Work Hours and Safety Standards**
Where applicable, for all IU13 contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

33. **Davis Bacon Act**

When required by Federal program legislation, vendor agrees that, for all IU13 prime construction contracts/purchases in excess of $2,000, vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, vendor shall pay wages not less than once a week. Current prevailing wage determinations issued by the Department of Labor are available at **https://.sam.gov/**

Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the vendor is conditioned upon vendor's acceptance of the wage determination. Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

34. **Domestic Preferences**

As appropriate and to the extent consistent with law, the Intermediate Unit should, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).

'Produced in the United States' means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. 'Manufactured products' means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber. This requirement also applies to subawards, including all contracts and purchase orders for work or products under a federal award."

35. **Geographical Preferences Prohibited**

Notwithstanding the domestic preferences for procurement discussed above, the Intermediate Unit must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

36. **Never Contract with the Enemy**

For Federal grants and cooperative agreements, as defined by 2 CFR 200.1, that are expected to exceed $50,000 and that are performed outside the United States, including U.S. territories, and that are in support of a contingency operation in which members of the Armed Forces are actively engaged in hostilities, the Intermediate Unit must exercise due diligence to ensure that none of the

funds, including supplies and services, received under the grant or cooperative agreement are provided directly or indirectly (including through subawards or contracts) to a person or entity who is actively opposing the United States or coalition forces involved in a contingency operation in which members of the Armed Forces are actively engaged in hostilities. This due diligence must be completed through 2 CFR 180.300 prior to issuing a subaward or contract. The Intermediate Unit must terminate or void in whole or in part any subaward or contract with a person or entity listed in the System for Award management (SAM) as a prohibited or restricted source pursuant to subtitle E of Title VIII of the NDAA for FY 2015, unless the Federal awarding agency provides written approval to continue the subaward or contract.

37. **Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment**
For Federal grants and cooperative agreements, as defined by 2 CFR 200.1, and to further the Intermediate Unit's (and any agency piggybacking off of this Awarded Vendor Agreement) compliance with 2 CFR 200.216, the awarded vendor represents, warrants, covenants and agrees that it shall not sell, offer or provide any equipment, system, or service under the Awarded Vendor Agreement (or any purchase order) that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Awarded vendor further represents and warrants that neither it (nor any of its subsidiaries or affiliates) uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. The term "covered telecommunications equipment or services" is as defined in Public Law 115-232, Section 889(f)(3), as the same may be amended from time to time. The awarded vendor acknowledges that the Intermediate Unit (or applicable agency piggybacking off of this Awarded Vendor Agreement) may deem any violation of this Section 1.14 by the awarded vendor as a breach of this Awarded Vendor Agreement (or applicable purchase order), and the Intermediate Unit (or applicable agency) may terminate or void in whole or in part this Awarded Vendor Agreement (or applicable purchase order).

38. **Simplified Acquisition Threshold**
Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Provisions regarding Contractor default are included in the Bidding and Contract Documents and General Terms and Conditions. Any Contract award will be subject to such Bidding and Contract Documents and General Terms and Conditions. The remedies under the Contract are in addition to any other remedies that may be available under law or in equity. By submitting a Proposal, you agree to these Contractor violation and breach of contract terms.

39. **Force Majeure**
Neither party will incur any liability to the other if its performance of any obligation under This Agreement is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but are not limited to, acts of God, war or terrorism, changes in controlling law, regulations, orders or the requirements of any

governmental entity, severe weather conditions, civil disorders, natural disasters, fire, a national or Commonwealth of Pennsylvania emergency, disease, **plague, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis, including quarantine or other employee restrictions,** general strikes throughout the trade, work stoppages, accidents and freight embargos. and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; other unforeseeable circumstances beyond the control of the Parties against which it would have been unreasonable for the affected party to take precautions and which the affected party cannot avoid even by using its best efforts. The Contractor shall orally notify IU13 within forty-eight (48) hours and notify in writing within five (5) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effects on performance, (ii) state whether performance under the Agreement is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. After receipt of such notification, IU13 may elect to cancel this Agreement, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay. The occurrence of a force majeure event rendering either party unable to carry out its obligations shall excuse both parties from their obligations during any such force majeure event. The term "force majeure" shall mean events not reasonably within the control of the party claiming suspension and shall specifically include any future change in laws, rules, or regulations as may prohibit or materially frustrate the parties from carrying out the terms of the agreement.

ATTACHMENT E: PIGGYBACK CLAUSE ACCEPTANCE AGREEMENT

AUTHORIZATION FOR OTHER PUBLIC PROCUREMENT UNITS TO PURCHASE DIRECTLY FROM VENDOR ACCORDING TO THE TERMS OF THIS CONTRACT

THIS FORM MUST BE RETURNED AS PART OF THE BID RESPONSE WHETHER OR NOT THE VENDOR AGREES TO PARTICIPATE IN THE PIGGYBACKING PROVISIONS.

If Vendor indicates its agreement to the piggybacking arrangement, the following conditions will apply:

1. Vendor will have the option to sell services, supplies, materials, and equipment directly to any of the other public procurement units in the Commonwealth of Pennsylvania, in those counties indicated below, that submit purchase orders to the vendor per this bid, and such public procurement units shall have the option to purchase from vendor pursuant to this bid.

2. By this agreement, vendor is required to accept all, or any such purchase order requests; provided, however, that vendor may impose reasonable limits on the quantities it is willing to provide to other public procurement units and additional reasonable delivery charges.

3. If vendor agrees to sell items to other public procurement units on a piggybacking arrangement, as evidenced by its acceptance below, vendor agrees that all terms and conditions of its agreement with IU13 including, but not limited to, specifications, price, and quality will apply to items sold to other public procurement units, and such terms including all guarantees and warranties will extend directly to the additional public procurement unit. 4. Payment for items sold to other public procurement units will be the responsibility of such public procurement units and will be made directly to vendor. To this end, IU13, the vendor, and other public procurement units waive any obligation of those other public procurement units under the application status to make payments directly to IU13.

5. The decision of the vendor to make its product available to other public procurement units under this piggybacking arrangement shall not alter or affect its obligation of full performance to IU13 and the participants listed in Section IV: Participants of this bid.

6. Although IU13 intends, by this provision, to make the piggybacking process available to other public procurement units, subject to the vendor's acceptance as evidenced below, IU13 makes no representation as to the ability of other public procurement units to purchase directly from the vendor without separate compliance with any applicable competitive bidding statutes and vendor and all other public procurement units participating in the process assume the responsibility to determine whether such compliance is excused by this provision and any and all applicable laws or regulations.

Year-end Vision Update

IU13 FAST FACTS

IU13 Names 2024 Annie Sullivan Award Honoree

Lancaster-Lebanon IU13 has named Eleanor (Kyri) Bennett as the recipient of the 2024 Annie Sullivan Award.

Bennett is a Teacher of Hearing Impaired at John Beck Elementary School in Warwick School District. Named after Helen Keller's lifelong teacher and companion, the award is presented to a professional who portrays exemplary care to students with disabilities, while going beyond the classroom to help those in the community at large. The awarded professional is nominated by his or her peers, and selected by a committee of past award recipients. It is considered one of the highest honors given to special education professionals.

Bennett's colleagues universally noted her care and commitment to each and every one of her students, as well as her collaborative efforts outside of her own classroom. Many also acknowledged her innovative techniques that foster an effective learning environment and have an impact on the community.

"Ms. Bennett has consistently demonstrated a remarkable talent for designing and implementing programs that cater to diverse populations, in and out of the classroom setting," noted a colleague. "Her inclusive approach to education goes beyond mere representation; ensuring that everyone feels welcomed, valued, and empowered to participate."

Congratulations to Kyri for being named the 2024 Annie Sullivan Award Winner and "thank you" for making a difference in the lives of others.

Guidelines

All Board members and employees shall be provided with a copy of this policy and acknowledge in writing that they have been made aware of it. Additional training shall be provided to designated individuals.

No Board member shall be allowed to take the oath of office or enter or continue upon his/her duties, nor shall s/he receive compensation from public funds, unless s/he has filed a statement of financial interests as required by law.[2]

The Intermediate Unit solicitor and designated Intermediate Unit employees shall file a statement of financial interests as required by law and regulations.[3][4]

Standards of Conduct

The Intermediate Unit maintains the following standards of conduct covering conflicts of interest and governing the actions of its employees and Board members engaged in the selection, award and administration of contracts.[5]

No employee or Board member may participate in the selection, award or administration of a contract supported by a federal award if s/he has a real or apparent conflict of interest as defined above, as well as any other circumstance in which the employee, Board member, any member of his/her immediate family, his/her business partner, or an organization which employs or is about to employ any of them, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. [5]

The Intermediate Unit shall not enter into any contract with a Board member or employee, or his/her spouse or child, or any business in which the person or his/her spouse or child is associated valued at $500 or more, nor in which the person or spouse or child or business with which associated is a subcontractor unless the Board has determined it is in the best interests of the Intermediate Unit to do so, and the contract has been awarded through an open and public process, including prior public notice and subsequent public disclosure of all proposals considered and contracts awarded. In such a case, the Board member or employee shall not have any supervisory or overall responsibility for the implementation or administration of the contract.[1]

When advertised formal bidding is not required or used, an open and public process with regard to the above paragraph shall include at a minimum:

1. Public notice of the intent to contract for goods or services;
2. A reasonable amount of time for potential contractors to consider whether to offer quotes; and
3. Post-award public disclosure of who made bids, quotes, or applications and who was chosen, except that in the event of an employment application, post-award disclosure need only include who was chosen.

Any Board member or employee who in the discharge of his/her official duties would be required to vote on a matter that would result in a conflict of interest shall abstain from voting and, prior to the vote being taken, publicly announce and disclose the nature of his/her interest as a public record.[1]

For this purpose, "conflict of interest" shall means a real, apparent, or potential interest of any kind in the matter by the Board member or his or her immediate family, business partner, or an organization which employs or is about to employ any of them. It shall not be limited to "conflict" as defined at the start of this policy.

Gifts of a nominal value may be accepted in accordance with Board policy. Items of a nominal value may be accepted in accordance with Board policy. Items considered to be of nominal value shall include any gift, hospitality, transportation, or lodging that may be accepted under Pennsylvania's Ethics Act, but shall be subject to reporting on a Statement of Financial Interests if the value thereof is such as to require reporting under the Ethics Act.[5][6]

Improper Influence

No person shall offer or give to a Board member, employee or nominee or candidate for the Board, or a member of his/her immediate family or a business with which s/he is associated, anything of monetary value, including a gift, loan, political contribution, reward or promise of future employment based on the offeror's or donor's understanding that the vote, official action or judgment of the Board member, employee or nominee or candidate for the Board would be influenced thereby.[1]

No Board member, employee or nominee or candidate for the Board shall solicit or accept anything of monetary value, including a gift, loan, political contribution, reward or promise of future employment, based on any understanding of that Board member, employee or nominee or candidate that the vote, official action or judgment of the Board member, employee or nominee or candidate for the Board would be influenced thereby.[1]

Organizational Conflicts

Organizational conflicts of interest may exist when due to the Intermediate Unit's relationship with a subsidiary, affiliated or parent organization that is a candidate for award of a contract in connection with federally funded activities, the Intermediate Unit may be unable or appear to be unable to be impartial in conducting a procurement action involving a related organization.[5]

In the event of a potential organizational conflict, the potential conflict shall be reviewed by the Executive Director or designee to determine whether it is likely that the Intermediate Unit would be unable or appear to be unable to be impartial in making the award. If such a likelihood exists, this shall not disqualify the related organization; however, the following measures shall be applied:

1. The organizational relationship shall be disclosed as part of any notices to potential contractors;
2. Any Intermediate Unit employees or officials directly involved in the activities of the related organization are excluded from the selection and award process;
3. A competitive bid, quote or other basis of valuation is considered; and
4. The Board has determined that contracting with the related organization is in the best interests of the program involved.

Reporting

Any perceived conflict of interest that is detected or suspected by any employee or third party shall be reported to the Executive Director. If the Executive Director is the subject of the perceived conflict of interest, the employee or third party shall report the incident to the Board President.

Any perceived conflict of interest of a Board member that is detected or suspected by any employee or third party shall be reported to the Board President. If the Board President is the subject of the perceived conflict of interest, the employee or third party shall report the incident to the Executive Director, who shall report the incident to the solicitor.

No reprisals or retaliation shall occur as a result of good faith reports of conflicts of interest.

Investigation

Investigations based on reports of perceived violations of this policy shall comply with state and federal laws and regulations. No person sharing in the potential conflict of interest being investigated shall be involved in conducting the investigation or reviewing its results.

In the event an investigation determines that a violation of this policy has occurred, the violation shall be reported to the federal awarding agency in accordance with that agency's policies.

Disciplinary Actions

If an investigation results in a finding that the complaint is factual and constitutes a violation of this policy, the Intermediate Unit shall take prompt, corrective action to ensure that such conduct ceases and will not recur. Intermediate Unit staff shall document the corrective action taken and, when not prohibited by law, inform the complainant.

Violations of this policy may result in disciplinary action up to and including discharge, fines and possible imprisonment. Disciplinary actions shall be consistent with Board policies, procedures, applicable collective bargaining agreements and state and federal law.[7]
